How would you show a world that celebrated what we share in common? You can print and colour this sheet however you wish. Inspired by artist Larry Achaimpong and his work exploring the impact of colonialism, we invite you to decorate this world map to show what it might look like if there were no borders or separate countries. Check out our instagram highlights @johnhansardgallery for more inspiration and ideas. We love to see what you make so send us a picture to vanessa@jhg.art or on instagram @johnhansardgallery
