

Create a costume inspired by
& to move within buildings

Living Buildings

Activity in 2 parts
Part 1: 30 mins-1hr

Materials:

Paint, pencils, paper,
glue, tape, cardboard,
tinfoil, string, facepaint
etc

You could use a camera
to record your activity

1. Lets start thinking
about the features
that make a building

2. Whats inside?
Whats outside?
Whats hidden?

3. Make a list of the
architectural features
you've thought about

4. OK great!
lets get creating

5. Draw, paint, collage,
sculpt and construct some
features from your list

6. Fantastic!
Time to take a break
Let your work dry

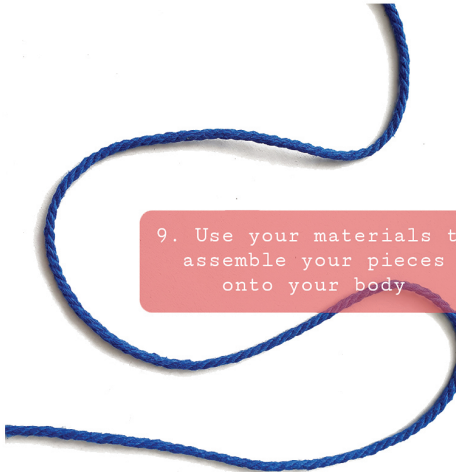

7.Welcome back!
Lets move on with your
living buildings

Part 2: 15- 30 mins

8.How could you wear
your architectural
creations on your body?

9. Use your materials to
assemble your pieces
onto your body

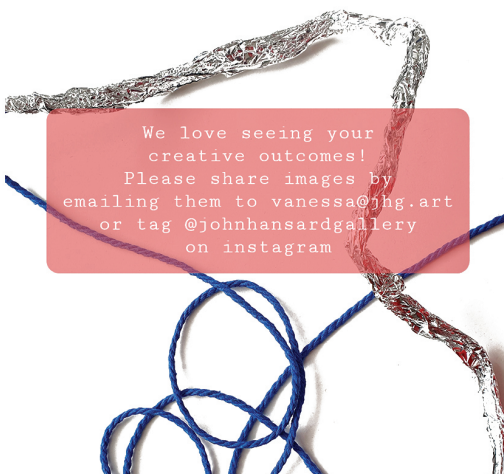

10.Now you are a
living building!

11.Experiment moving
in different ways
interacting with the
elements on your list

Amazing! That was fun 😊
Thanks for taking part!

We love seeing your
creative outcomes!
